

ADVANTAGE

Plus Series

The Advantage Plus Series offers a very attractive wood grain raised panel design with a solid polystyrene core between two sheets of steel providing exceptional strength, durability, high insulation value, and quiet operation. Advantage Series combines striking appeal and value to any home.

Our Best Just Got Better!

ADVANTAGE
Premium Garage Doors

Standards

- Traditional 2" exterior wood grain raised panel design - 25 gauge, interior flush white stucco grain - 26 gauge.
- Calculated R-factor of 9.4.
- Heavy aluminum bottom retainer for extra strength with thick vinyl weatherstrip runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and full nylon ball bearing rollers. Torsion springs deliver years of trouble free performance and continuous smooth opening and closings.
- Colors: In addition to standard white, Advantage is also available in brown, almond and sandstone.
- Insulation: Energy efficient polystyrene is pressure-bonded between two sheets of steel providing exceptional strength, durability, maximum insulation value and quiet operation.
- Windows: Decorative snap-in glazing inserts are available to compliment your homes architectural style.
- Backed by a limited lifetime warranty against splitting, cracking, and rust throughout.
