

ADVANTAGE

Series

The Advantage Series offers traditional raised panel design and beauty in the look of wood with the strength and durability of steel. Advantage Series adds classic design and striking eye appeal to any home.

Our Best Just Got Better!

ADVANTAGE

Premium Garage Doors

Standards

- Traditional raised panel wood door design.
- Calculated R-factor of 5.65.
- Hot dipped galvanized pre-painted nominal 24 gauge steel.
- Interior return rails hemmed the entire length of section for added strength and safety.
- Heavy aluminum bottom retainer for extra strength with thick vinyl weatherstrip runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and full nylon ball bearing rollers. Torsion springs deliver years of trouble free performance and continuous smooth opening and closings.

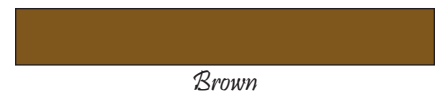

- Colors: In addition to standard white, Advantage is also available in brown, almond and sandstone.
- Insulation Option: Energy efficient polystyrene insulation covered with a heavy white vinyl backing to provide protection and an attractive finish.
- Windows: Decorative snap-in glazing inserts are available to compliment your homes architectural style.
- Backed by a limited lifetime warranty against splitting, cracking, and rust throughout.
